"Better Art Music")

Happy 2020 everyone...so far the year that never was!  
I hope this Zine finds you well and Covid-19 free. Laugh,  
feel and look back at a more simple time as we all pass  
the time. Hopefully we return to a sense of normality  
very soon! -BluRaven C. Houvener

THE  
YEAR  
OF  
REFLECTION

Wow!

Let me tell ya', back in 05/06 when travelin' with my buddies in Reflection, we didn't have ta' worry about something like COVID-19!

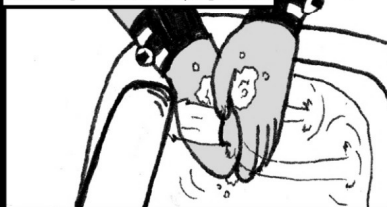

Shocking I know! A lot of people are scared right now as the virus is spreading, but don't freak out, there are things we can all do to help!

WHEW!

Don't scare me like that!

Should go without saying, but...

WASH YOUR HANDS for at least 20 seconds. Sing though "The Devil Lives In My Nose" one time over just to be safe.

IF you can swing it... Leave work.

Peace!

Make some space between yourself and others...

GET THE FUCK AWAY FROM ME!!!

...And above all else...

Be strong, be smart, don't panic, and watch each other's backs and we'll make it through this, okay!

# CREATE A ZINE TODAY!

With Covid-19 running rampant and all of us with some level of downtime on our hands, now's as good a' time as any to get creative!

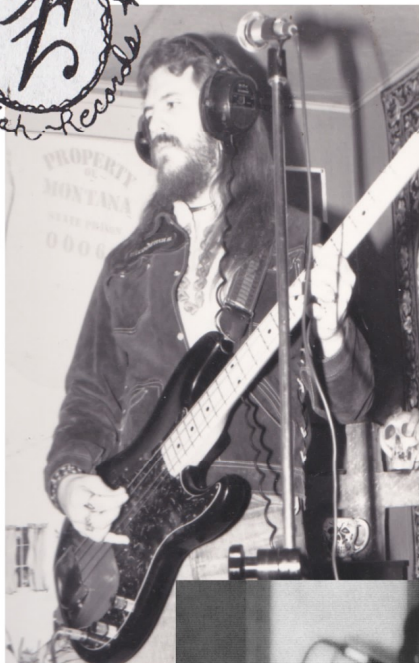

Take what you're passionate about and pour that into a Zine. Make it on the computer, take magazine pictures and turn em into collage pages, make a work of fiction, or like me make comic zine's (that're pretty damn Per-Zine-y in all reality haha).

Just do it and show it off. If you haven't ever made a zine before...it's an amazing experience and lets you get alot out. That's something we all need right now!

Peace and Love to you all.  
Let's get through this all together!
